

PLAN: EAGLE

ENGINE (Gasoline/Electric): camshaft, camshaft bearings, cam gear, connecting rods, connecting rod bearings, crankcase to cover dowels, crankcase to cylinder dowels, crankcase vent hose, crankshaft, crankshaft bearings, crankshaft gear, cylinder barrels, cylinder block, cylinder head, cylinder to head dowels, engine mounts, engine output shaft, exhaust manifold, exhaust valves, exhaust valve springs, flywheel key, head studs, intake manifold, intake valves, intake valve springs, lifters, lifter arms, lifter arm shafts, oil dipstick, oil pump, pistons, piston rings, push rods, reed valves, rocker boxes, rocker arms, rocker arm shafts, starter motor bushing, timing belt, timing chain, timing gear, valve covers, valve guides, valve keepers, valve seats, valve retainers and the wrist pins. Electric Drive Motor Components: electric motor (72v or less), charging jack, control module and the electronic throttle control.

TRANSMISSION: bearings, cams, chains, chain adjuster, cluster gear set, counter shaft, CVT belt, CVT pulley, drive gear springs, engine to transmission gears, gearbox cover, gearbox L-plate, input shaft, internal drive gear, internal selector switch, main gear set, main shaft, output shaft, output shaft brace, rear sprocket engagement plate, reverse gearbox, shift drum, shift fork, shift linkage, shift pattern star, shift tension arm, speedometer cable, transmission case and the transmission mounts.

BRAKE: backing plates, brake fluid reservoir, brake linkage, brake pedal, brake pedal pivot shaft, brake pedal bushing, brake lines, disc brake caliper, internal actuating cam, master cylinder, parking brake handle or pedal, parking brake linkage, rear brake actuating cam and the wheel cylinders.

CHAIN CASE (Snowmobiles Only): automatic tensioners, chain case, chains, gear box, lower chain sprockets, manual tensioners, reverse gears and the upper chain sprockets.

CHARGING SYSTEM: alternator, generator and the voltage regulator.

CONTROL (Personal Single Engine Jet Boats and PWCs Only): choke primer switch, neutral start switch, shift cable, shift interrupter, throttle cable, throttle cam lever and the throttle control handle.

DRIVE AXLE: axle bearings, axle shafts, carrier bearings, companion flange, CV joints, drive shafts, gears, hub bearings, pinion bearings, rear axle housing, ring and pinion, side gears, spider gears, universal joints and the wheel bearings.

ELECTRICAL: brake light switch, electronic ignition control module, ignition coils, gear sensor, hazard light switch, horn, horn relay, horn switch, head light switch, ignition pick-up, magneto, pull kill switch, relays, reverse switch, starter bendix gear, start and stop button/switch, starter chain, starter intermediate gear, starter motor, starter motor solenoid, starter reduction gear, turn signal switch, turn signal flasher module, trigger and trigger sensors, and the wiring harnesses connected to a failed part.

FACTORY INSTALLED GAUGE (Mechanical and Electrical): amperage gauge, fuel gauge, fuel gauge sensors, fuel gauge sending unit, gear indicator, gear indicator sensor, oil pressure gauge, oil pressure sending unit, oil level sensors, oil level warning lights and horns, speedometer, speedometer sensor, tachometer, tachometer sensor, temperature gauge, temperature sending unit, temperature sensors and the volt gauge.

FUEL SYSTEM (Gasoline Only): carburetor, electric choke, fuel injector control module, fuel injectors, gasoline fuel pump, fuel lines (metal only), fuel tank, gas cap and the petcock valve.

OIL INJECTION: oil injection check valves, oil injection lines, oil injection metering system, oil injection pump, oil pump drive gear, oil pump drive gear shaft, oil tank and the oil tank cap.

MANUAL/POWER TRIM AND TILT (Personal Single Engine Jet Boats and PWCs Only): ball joints, control valve, cylinder mounts and pivots, manual trim cable, manual trim cylinder, power trim cylinders, cylinder rams, power trim master control switches, power trim motor actuator solenoid, power trim wiring harness, retaining block, reverse lock valve, sliding gears, tilt motor, trim motor, water eliminator valve and the water eliminator valve worm gear.

PRIMARY DRIVE: bearings, drive chains, compensator, internal drive gears, motor sprocket and the primary drive case.

PROPULSION/JET DRIVE SYSTEM (Personal Single Engine Jet Boats and PWCs Only): bushings, drive shaft, flywheels, impeller, impeller housing, impeller shaft, jet pump, thrust bearing and the thrust bearing washers.

SECONDARY DRIVE (Snowmobiles Only): bearings, cam assembly, jack shaft, movable sheaves, stationary sheaves and the races.

STEERING: axle, ball joints, control rack, control yoke, drag link ends, dust covers, handle bar, jet nozzle, power steering cylinders, power steering pump, spindle bushings, steering arms, steering bracket, steering bracket bushings, steering cable, steering control box, steering dampeners, steering gate, steering link ends, steering rudder, steering stem bearings, steering stem bushing, steering stem shaft, steering wheel, steering wheel coupler, swivel bracket bearings, tie rod ends, triple tree clamp and the wheel spacer.

SUSPENSION: A-arm pivot bolt sleeve, ball joints, front fork seals, front fork tubes, front wheel hubs, front wheel bearings, king pins, king pin bushings, lower control arms, rear wheel bearings, rear wheel hub, spindle, swing arm, swing arm bearings, swing arm bushings, swing arm shaft and the upper control arms.

TORQUE CONVERTOR: cover, sheaves, springs and the weights.

TURBOCHARGER (Gasoline, Factory Installed Only): bearings, bushings, impellers, impeller shafts and the turbo charger housing. The waste gate and the intercooler.

SEALS & GASKETS (New Vehicles Only): crankcase cover gasket, crankcase gasket, CVT cover gasket, cylinder gasket, engine shaft seals, flywheel seal, gas cap washer, head gaskets, head gasket o-rings, intake manifold gaskets, intake port gasket, main gearbox gasket, oil pump gasket, output shaft seal, primary cover gaskets, shifter shaft seal, transmission housing gasket and the valve cover gaskets.

OPTIONS

SEALS & GASKETS (Used Vehicles, 4-Stroke Engines Only): crankcase cover gasket, crankcase gasket, CVT cover gasket, cylinder gasket, engine shaft seals, flywheel seal, gas cap washer, head gaskets, head gasket o-rings, intake manifold gaskets, intake port gasket, main gearbox gasket, oil pump gasket, output shaft seal, primary cover gaskets, shifter shaft seal, transmission housing gasket and the valve cover gaskets.

ABS BRAKE (New On-Road Vehicles Only): ABS control module, accumulator, brake pump motor, pressure modulator valve and the wheel speed sensors.

AUDIO (New On-Road Vehicles, Factory/Dealer Installed Only): the following parts of the in-dash AM/FM head unit, cassette deck and/or CD player: circuit boards, power supply, tuner assembly, heads, motors, on-board amplifier and the laser pickup.

COOLING SYSTEM: coolant pump, coolant fan, coolant fan motor, radiator, sensors, thermal switch, inner water pump seal, outer water pump seal and the water pump gasket.

DIESEL ENGINE AND TURBOCHARGER: all parts in Plan: Eagle and also the mechanical diesel fuel pump and the intercooler. The following parts of the Turbocharger (factory installed only): bearings, bushings, impellers, impeller shaft, turbocharger housing and the waste gate.

SIDECAR (New On-Road Vehicles Only): Brakes: backing plates, clips, hydraulic brake actuator, electric brake actuator, master cylinder, retainers, self adjusters and brake springs. Frame/Suspension: axle, bearings, hubs, spring hangers and the suspension springs.

TOURING BIKE (New On-Road Vehicles Only): control cables and the digital dash display.

TRAILER (New Single Axle Vehicles Only): Brakes: backing plates, clips, hydraulic brake actuator, electric brake actuator, master cylinder, retainers, self adjusters and brake springs. Frame/Suspension: axle, bearings, hubs, spring hangers, winch stand and the suspension springs.

WEAR & TEAR (New On-Road Vehicles, Engine & Transmission Only): wear & tear failure will be deemed to have occurred when a part has worn beyond the manufacturer's tolerance allowed for the part.

PLAN: EAGLE GUARDIAN

This plan provides coverage for all the component headings in the Plan: Eagle and options, as well as virtually all factory installed, or factory approved dealer installed mechanical, hydraulic, electrical, and electronic parts essential to the operation of your vehicle, subject to the specific limitations, provisions, and exclusions in the contract.

VEHICLES

MOTORCYCLES
SCOOTERS
MOPEDS
DIRT BIKES
CUSTOM AMERICAN V-TWIN MOTORCYCLES
TRIKES
ATVS
UTILITY VEHICLES
SNOWMOBILES
PERSONAL WATER CRAFTS
PERSONAL JET BOATS

BENEFITS

SENIOR CITIZEN -
DEDUCTIBLE, MEALS & LODGING:
a 25% deductible reduction
25% meals and lodging increase.

MEALS:
\$15.00 per day maximum of three days.

LODGING:
\$60.00 per night maximum of three nights.

SUBSTITUTE TRANSPORTATION:
\$30.00 per day maximum of three days.

TOWING/LIFT-OUT/PICK-UP:
reasonable towing/lift-out/pick-up charges up to \$60.00.

MANUFACTURER'S WARRANTY DEDUCTIBLE:
reimbursement for up to 50% of your deductible.

EMERGENCY ROADSIDE ASSISTANCE:
up to \$25.00 for the following: Lost Key/Lockout, Flat
Tire Change, and Battery Charge/Replacement.

WHY

- 100% 60 Day Money Back Guarantee •
 - Increased Resale Value •
- Avoid Costly and Inflationary Parts & Labor Charges •
- Repair Cost Paid Immediately by Check or Credit Card •
 - Coverage Up To 6 Years on a New Vehicle •
 - Coverage Up To 4 Years on a Used Vehicle •
 - 24 Hour Toll Free Claims Assistance •
 - 24 Hour E-Mail Claims Assistance •
 - Cancellable, Transferable and Renewable •
