

BUYING A RECREATIONAL VEHICLE?

PROTECT YOUR INVESTMENT *BEFORE YOU HIT THE ROAD!*

Whether it's a drive train repair on a motorized RV or a component on a towable, **Expensive** mechanical failures can occur at any time!

Put the worry of an unexpected breakdown behind you with a **Vehicle Service Contract.**

Q: *How can I protect against the high cost of repairs?*

A: Buy a Vehicle Service Contract now!

Q: *Why should I buy a Vehicle Service Contract? Won't my factory warranty protect me?*

A: Factory warranty terms vary depending on the component. But when they expire, repairs are your responsibility.

Q: *Isn't a Vehicle Service Contract expensive?*

A: No, especially if you plan on keeping your RV for several years, the annual cost is very reasonable.

BUT
Your Dealer CAN offer you
A BETTER SOLUTION!

You need a Service Contract now
to protect you against
unexpected mechanical failures.

Ask about the benefits of a
Service Contract with

The Advantage
Repurchase Program

1

Protection If You Need It

Buy a Vehicle Service Contract now to be sure that any future mechanical failures will be covered.*

2

Money Back If You Don't⁺

If the Vehicle Service Contract expires and there have not been any repairs covered by the Vehicle Service Contract.

**YOUR DEALER WILL BUY THE
SERVICE CONTRACT BACK⁺ AT THE
ORIGINAL PURCHASE PRICE!**

Also, if for any reason your RV is declared a total loss during the first three years of the Vehicle Service Contract, you will be entitled to receive a bonus of up to \$1,000 in cash.⁺

*It's A Win-Win
Proposition!*
